Lapeña. The Director General was accompanied by Deputy Director General Lina Sarmiento, Director Juliet Orozco, at Regional Director Ramon Ruiz. They were warmly welcomed in Puerto Princesa School of Arts and Trades multipurpose hall by the Regional Director of MIMAROPA, RD Dante Navarro, City Administrator Atty. Arnel Pedrosa who represents the City Mayor, PD

PPSAT Vision

PPSAT is a leading institution of technical excellence in the development of highly skilled workers for global excellence with world-class competence and desirable work values responsive to the demands of the industry.

PPSAT Mission

PPSAT provides competency-based training programs and strengthens linkages with partners to develop competent workers for local and global employment and entrepreneurial opportunities for quality life.

Abueva, TTI Administrators Dr. Sianita Tadlas & Ms. Javelin Obrero, and all the faculty and staff. Sec. Lapeña delivered a message and ask the body to raise their concerns regarding operations such as training and assessment matters and others. He made sure that all the concern raised were noted and addressed/ will be addressed accordingly. He even encourages job order personnel to

continue their service and push them to get eligibility for future career opportunity that awaits them in TESDA. He also challenged PPSAT to register additional Diploma Course as the institution was able to register 2 diploma course in the past year.

Capability Building for Organic Agriculture Production NC II

A capability building program was conducted for Organic Agriculture Production NC II at Puerto Princesa School of Arts and Trades on April 19-26, 2022. Ms. Jennifer Daco, a trainer of Agriculture Crops Production NC II & Organic Agriculture Production NC II from PPSAT, participated in the said capability building program in preparation to be a Provincial Lead Assessor in Palawan. The assessment for OAP NC II was held at Farm Tech in Bgy. Bacungan, Puerto Princesa City Facilitated by PPSAT Assessment Center headed by Engr. Myrna Ducejo. Ms. Daco conducted loading assessment under the supervision of Regional Lead Assessor Mr. Ronilo D. Juevesa Jr. from General Santos City as part of the calibration. Also present at the assessment is Mr. William Robert Magura as Tesda Representative. Ms. Daco suc-

cessfully finished the loading assessment and is now an accredited assessor for OAP NC II.
